# THE FROSTY DIVOT

## Golf Simulators at the Ponoka Golf Club

**P**onoka Golf Club is pleased to announce we are taking the frost out of winter by offering two state of the art golf simulators open to the public.

Golf on a simulator is as close to the real thing as you can get in Alberta in the winter. It is played using real clubs and balls hitting into a screen with computer generated images of golf courses from around the world. You can play 9 or 18 holes on over 50 different golf courses or just come and practice on the driving range. Up to 8 players can play on a simulator at a time. It's a great way to spend some time in the winter with friends and family or corporate team

building playing the game we love. Food and your favorite beverages are available to add to your enjoyment!

Would you like to learn to play golf or need help with your game? Our two PGA golf professionals are here to help your game get ready for the course in April.

The simulators rent by the hour not by the golfer and if you need clubs we can supply them. Simulator time needs to be pre-booked by phoning **403-783-4626**.

**Let's swing through winter in The Frosty Divot at the Ponoka Golf Club!**
